The background is a dark teal color with a subtle, repeating pattern of leaves. Overlaid on this are several large, detailed illustrations of flowers. Two prominent flowers are in the foreground, one on the left and one on the right. They have large, overlapping petals in shades of light pink and white. The centers of these flowers are filled with numerous stamens, some of which are a reddish-pink color. Green leaves with visible veins are scattered around the flowers, some appearing to be part of the same plant. The overall style is that of a classic botanical illustration.
